

ENB Region 8 Completed Applications 09/09/2020

[Region 8 SEQR and Other Notices](#)
[Region 8 SPDES Renewals](#)

Schuyler County

Applicant:

Alternative Waste Services Inc
71 Bishop Rd
Newfield, NY 14867

Facility:

County Line MRF
1313 Recycle Ln
Cayuta, NY

Application ID:

8-4422-00051/00001

Permit(s) Applied for:

Article 27 Title 7 Solid Waste Management

Project is Located:

Cayuta, Schuyler County

Project Description:

The applicant, Bob Mente, proposes to build a 10,575 square foot materials recovery facility that would accept municipal solid waste (MSW), construction and demolition debris (C&D) and source-separated recyclables, with a maximum daily throughput of 500 tons per day. The facility will include waste storage areas, a truck weighing scale, trailer staging area and an onsite wastewater storage tank, and a building for handling and storage of waste materials that will also have areas for office space.

Availability of Application Documents:

Filed application documents, and Department draft permits where applicable, are available for inspection during normal business hours at the address of the contact person. To ensure timely service at the time of inspection, it is recommended that an appointment be made with the contact person.

State Environmental Quality Review (SEQR) Determination:

Project is an Unlisted Action and will not have a significant impact on the environment. A Negative Declaration is on file. A coordinated review was not performed.

SEQR Lead Agency: None Designated

State Historic Preservation Act (SHPA) Determination:

Evaluation using a Structural-Archaeological Assessment Form or other information has concluded that the proposed activity will not impact registered, eligible or inventoried archaeological sites or historic structures.

Coastal Management:

This project is not located in a Coastal Management area and is not subject to the Waterfront Revitalization and Coastal Resources Act.

DEC Commissioner Policy 29, Environmental Justice and Permitting (CP-29)

It has been determined that the proposed action is not subject to CP-29.

Opportunity for Public Comment:

Comments on this project must be submitted in writing to the Contact Person no later than *Sep 24, 2020*.

Wayne County

Applicant:

Lehrwood Estates LLC
1112 E River Rd
Avon, NY 14414

Facility:

Lehrwood Estates LLC Subdivision
Mildahn Rd - S Side, 1/2 Mi E of Monroe Wayne Co Line Rd
Walworth, NY

Application ID:

8-5444-00137/00001

Permit(s) Applied for:

Article 24 Freshwater Wetlands
Section 401 - Clean Water Act Water Quality Certification

Project is Located:

Walworth, Wayne County

Project Description:

The applicant proposes to develop a 76-acre parcel of land into a new subdivision consisting of 98 single-family homes with associated roads, utilities, and a stormwater management facility. Approximately 1.18 acres of the project area is in the adjacent area of NYSDEC regulated Class 3 Freshwater Wetland MA-3. The applicant has proposed mitigation for this project. A conservation easement to protect the wetland and upland adjacent area buffer will be granted to the Town of Walworth. The project is located to the north and south of Mildahn Rd, approximately 0.5 miles east of Monroe Wayne County Line Rd, in Walworth, NY.

Availability of Application Documents:

Filed application documents, and Department draft permits where applicable, are available for inspection during normal business hours at the address of the contact person. To ensure timely service at the time of inspection, it is recommended that an appointment be made with the contact person.

State Environmental Quality Review (SEQR) Determination:

Project is a Type I action and will not have a significant effect on the environment. A coordinated review with other agencies was performed and a Negative Declaration is on file.

SEQR Lead Agency: Walworth Town Planning Board

State Historic Preservation Act (SHPA) Determination:

A cultural resources survey has been completed. The report of the survey is on file. No archaeological sites or historic structures were identified at the project location. No further review in accordance with SHPA is required.

Coastal Management:

This project is not located in a Coastal Management area and is not subject to the Waterfront Revitalization and Coastal Resources Act.

Opportunity for Public Comment:

Comments on this project must be submitted in writing to the Contact Person no later than *Sep 24, 2020*.
